Factory to Home

The old adage, "Money saved is money earned," may be very well likened to a new plan we have arranged for your profit.

Briefly, the plan is this: By giving us a month or longer in which to order the goods direct from the factory, we will allow you a discount of 10% from the marked price of the goods.

You may either pay cash or make a deposit, and at stated intervals before the goods arrive pay the balance. We uncrate, set up, and deliver the goods to your door, guaranteeing perfect condition.

If for any reason you wish to countermand your order, you may do so, providing you notify us before factory has made shipment. Your money will then be returned to you, with interest at the rate of 5% per annum.
